

## Customer Communication

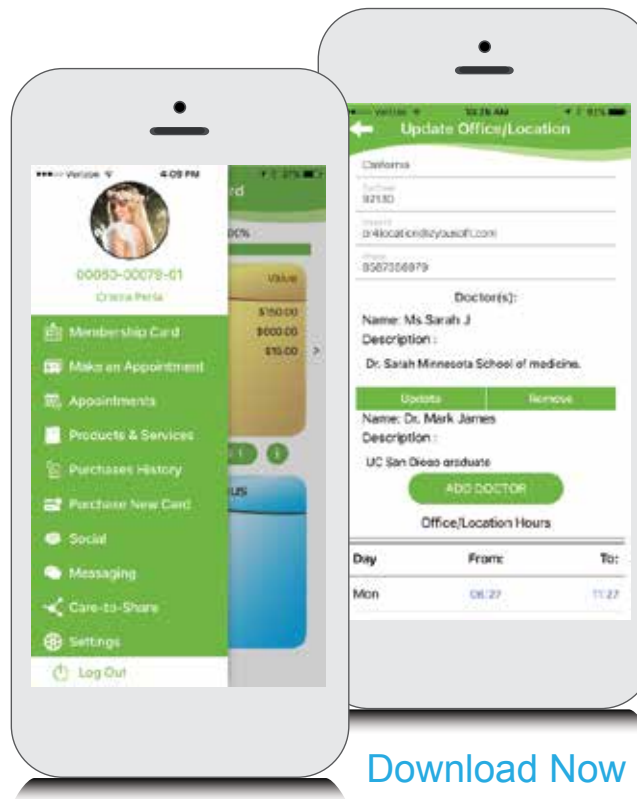

At OffFees, we know how important it is to communicate with your customers/clients/patients about their benefits and about what is going on with your office/location. If you have a new promotion or deals on a service or a product that you want to let your customers/clients/patients know about, OffFees provides a great medium to alert them. There are several other communication benefits to your OffFees membership :

- ▶ Members can easily request an appointment at any of your listed location using the app
- ▶ Discover an internal way to help your office grow by using **Care-to-Share**
- ▶ You'll be sent a push notification any time a member requests or confirms an appointment
- ▶ Easily market your services and products to participating members
- ▶ Ability to offer incentives and bonuses for customers/clients/patients as they sign up for the OffFees app
- ▶ Features a confidential, internal messaging system to contact your customers/clients/patients and staff

## Cash Flow

OffFees is a great way to improve your office/location cash flow. Memberships will be collected up-front before services are ever rendered, so you'll be able to generate immediate revenue. Other payment related features include :

## Enjoy a new stream of revenue

Having several streams of revenue is an important goal for any successful business, and by registering for OffFees, you can have just that. OffFees will help to improve the cash flow of your office/location, as membership fees are always collected up-front. That means that you'll have access to these funds immediately-before you ever render any services. Customer/client/patient memberships are auto-renewed, and the OffFees app also provides for secured payment processing to make the process as easy and safe as possible.

## Improve Customer Communication

At OffFees, we know how important it is to communicate with your customers/clients/patients about their care and about what is going on with your office/location. If you have a new promotion or deals on a business product that you want to let your customers/clients/patients know about, OffFees provides a great medium to alert them. There are several other communication benefits to your OffFees membership :

- ▶ Discover an internal way to help your office grow by using the **Care-to-Share** program.
- ▶ Allow customers/clients/patients to request new appointments using the app
- ▶ Provide a confidential messaging system so that your customers/clients/patients can feel comfortable asking you questions
- ▶ Receive push notifications any time that a customer/client/patient requests a new appointment or confirms an upcoming appointment
- ▶ Send members information about new products or promotions

Since your customers/clients/patients will be able to communicate with you from their mobile device, it will be easier than ever for you to stay connected.

OffFees makes registering for the program as easy as possible, allowing you to list all of your offices with the same registration. Sign up today to start boosting your revenue by rewarding your customers/clients/patients.
