www.OffFees.com

OffFees is revolutionizing the way that you connect with your provider, combining the convenience on an online app with the cost savings of a discount provider plan. OffFees helps business to reward their customers/clients/patients and encourage loyalty with its exclusive membership program. If you are looking to save money on your provider costs, OffFees is for you.

What is OffFees ?

When you sign up for an OffFees membership, you'll help you and your family to receive the same high quality care that you are used to. However, you'll enjoy lower prices as well as additional complimentary benefits. Each office/location will offer a unique membership package, allowing existing customers/clients/patients just like you to purchase products and services at member-only prices that can't be beat.

It is important to note that the OffFees isn't an insurance plan. You don't have to worry about filing claims, meeting deductibles or paying copays before you start saving. The discounts and benefits that you receive are real, up-front, and immediate, lowering the cost of your provider services right before your eyes.

In addition to saving your money, OffFees also makes it easier than ever to connect with your provider owner. Scheduling your next appointment is always a breeze by using this app, and you'll be able to connect to your provider even when you're on the go.

What Does My Membership Include ?

After you have signed up for your membership and have paid your small, annual fee, you'll receive benefits for 12 consecutive months. While you can cancel at any time within 30 days, the plan is non-refundable.

Your specific membership benefits will depend on your provider, as benefits are determined by each individual provider's office/locations. To find out more and to see if your provider is a participating provider-give your office a call today.

OffFees-Where Customers/Clients/Patients Always Get the VIP Treatment

If you are looking for a way to save money on your bills, look no further than OffFees-the app that always give you the VIP Treatment when it comes to your care. You'll get a VIP membership that gives you access to promos, deals and discounts that will make your costs more affordable than ever.

Who is Eligible ?

Are you interested in signing up for OffFees? If so, there are a few simple eligibility requirements that you'll need to meet :

Customers/Clients/Patients need to be active patients of record at his or her provider location

Customers/Clients/Patients may choose to enroll as an individual or can also enroll his or her spouse

Customers/Clients/Patients can also choose to enroll eligible dependents, so long as they are unmarried children under the age of 21

Start Saving Right Away

With any insurance, you'll likely need to jump through some hoops before you can start using your benefits. You might have to meet a hefty deductible and may still be charged and co-pay at your provider visit. Ultimately, you might not actually be saving much on your provider services, especially when you consider how much you are paying out in insurance premiums each month.

With OffFees, you'll be able to start saving right away. Since the program isn't an insurance plan, you don't have to worry about meeting deductibles filing claims, or dealing with a frustrating insurance company in order to start saving. The benefits and discounts that you can enjoy are immediate, with the cost of your provider's services and products being reduced right away.

Get Access to Specials, Deals and Discounts

OffFees works to reward members for their loyalty, giving you access to exclusive deals and promotions. If your provider offers a special on certain services or products, you'll know about them first, and you'll get special prices only offered to OffFees members.

Stay Connected with Your Business Owner

OffFees understands that you are busy, so they've made it easier than ever for you to connect with your provider on the go. With this user-friendly app, you'll be able to schedule and confirm appointments from your mobile device. A confidential messaging system will also let you connect with your provider quickly and conveniently.
